

# mTOR Pathway

## mTOR Antibody Products

| Catalog #     | Product                    | Host   | Clonality  | Applications                              | Species                            |
|---------------|----------------------------|--------|------------|-------------------------------------------|------------------------------------|
| NB600-467     | AKT1 Antibody              | Rabbit | Polyclonal | ELISA, IF, IHC-P, WB                      | Hu                                 |
| NB110-87318   | Bedin 1 Antibody           | Rabbit | Polyclonal | IF, ICC, IHC-P, WB                        | Ch, Bv, Hu, Mu, Mk, Po, Rt, Xp     |
| NB100-2034    | Cyclin D1 Antibody         | Rabbit | Polyclonal | ChIP, IHC-P, IP, WB                       | Hu, Mu, Rt                         |
| NB200-157     | eIF4EBP1 Antibody          | Rabbit | Polyclonal | ELISA, IHC-P, IHC-Fr, WB                  | Hu, Mu, Po, Rt                     |
| NB110-56979   | ERK1 (Y72) Antibody        | Rabbit | Monoclonal | FACS, ICC, IHC-P, IP, WB                  | Hu, Mu, Rt                         |
| NB100-91797   | GSK3 beta Antibody         | Rabbit | Polyclonal | ELISA, IHC-P, IP, WB                      | Hu, Mu, Rt                         |
| NB100-105     | HIF-1 Alpha (H1alpha67)    | Mouse  | Monoclonal | ChIP, ICC, IHC, IF, IHC-P, IHC-Fr, IP, WB | Hu, Bv, Ft, Mu, Mk, Po, Rb, Rt, Sh |
| NB100-905     | HIF-1 Alpha Antibody Pack* | varies | varies     | varies                                    | Hu, Mu                             |
| NB110-56996   | mTOR (Y391) Antibody       | Rabbit | Monoclonal | FACS, ICC, IHC-P, WB                      | Hu, Mu, Rt                         |
| NB100-240     | mTOR Antibody              | Rabbit | Polyclonal | ICC, IP                                   | Hu, Rt                             |
| NBP1-02454    | mTOR Antibody              | Rabbit | Polyclonal | ELISA, IF, IHC-P, WB                      | Ca, Hu, Mu, Rt, Ze                 |
| NB100-932     | mTOR Antibody Pack*        | Rabbit |            | IP, WB                                    | Hu, Mu, Rt                         |
| NB100-2384    | PDK1 Antibody              | Rabbit | Polyclonal | WB                                        | Bv, Ch, Hu, Mk, Mu, Po, Rt, Ze     |
| NB110-57344   | PDK1 (Y336) Antibody       | Rabbit | Monoclonal | IHC-P, IF                                 | Hu, Mu, Rt                         |
| NBP1-04676    | PGC-1 alpha Antibody       | Rabbit | Polyclonal | WB                                        | Hu, Ca, Ee, Mu, Mk, Rt             |
| NB110-57347   | PI3K (Y384) Antibody       | Rabbit | Monoclonal | FACS, IP, WB                              | Hu, Mu, Rt                         |
| NB120-19481   | PPAR gamma Antibody        | Rabbit | Polyclonal | ICC, IF, WB                               | Bv, Ca, Ch, Hu, Po, Mu, Rt,        |
| NB100-2229    | PTEN Antibody              | Rabbit | Polyclonal | IHC-P, IP, WB                             | Hu, Mu                             |
| NB100-331     | Raptor Antibody            | Rabbit | Polyclonal | IP, WB                                    | Hu, Mu, Rt                         |
| NBP1-40677    | Rheb (EPR2971) Antibody    | Rabbit | Monoclonal | FACS, ICC, IHC-P, WB                      | Hu                                 |
| NB100-612     | RICTOR Antibody            | Rabbit | Polyclonal | FACS, IHC-P, IP, WB                       | Hu, Mu                             |
| H00006198-M04 | S6K (4H4) Antibody         | Mouse  | Monoclonal | ELISA, IF, WB                             | Hu, Mu, Rt                         |
| NB110-40424   | SIN1 Antibody              | Rabbit | Polyclonal | IHC-P, IP, WB                             | Hu, Mu                             |
| NB100-80855   | TSC1 Antibody              | Rabbit | Polyclonal | IP, WB                                    | Hu, Mu                             |
| NBP1-61424    | TSC2 (Y320) Antibody       | Rabbit | Polyclonal | ELISA, IF, IHC, WB                        | Hu, Mu, Rt                         |

\* Antibody packs allow you to test a panel of similar antibodies
